## SMART+ WIFI OUTDOOR TERMINAL EU

SMART+ OUTDOOR TERMINAL | Outdoor Terminal with integrated WiFi Repeater and two Smart Sockets

### Areas of application

- Wherever non-smart devices need to be integrated into compatible smart home systems
- Gardens, balconies and other outdoor areas

### Product benefits

- Integrated WiFi Repeater extends the WLAN zone up to 45 meter in open air
- WiFi Repeater enables pairing of other wireless devices to WLAN upto 15 devices
- High standard of safety: Overload protection, Surge protection
- Integrates conventional electric equipment into compatible smart home systems
- Enables remote switching of conventional light sources and other electric devices

### Product features

- Voice control available: Google Assistant and Amazon Alexa
- Two smart standard sockets can be controlled individually
- High switching power: up to 3,680 W / 16 A
- Network protocol: WiFi (2.4 GHz)
- Type of protection: IP44
- Scheduling
- Controllable via SMART+ App (with minimum Android 8.0 or iOS 14.0)

TECHNICAL DATA

Electrical data

|                 |       |
|-----------------|-------|
| Nominal voltage | 230 V |
| Nominal current | 16 A  |
| Mains frequency | 50 Hz |

Dimensions & Weight

|                |           |
|----------------|-----------|
| Product weight | 1770.00 g |
| Length         | 164.00 mm |
| Width          | 140.00 mm |
| Height         | 325.00 mm |

Lifespan

|                            |       |
|----------------------------|-------|
| Number of switching cycles | 10000 |
|----------------------------|-------|

Colors & materials

|               |            |
|---------------|------------|
| Product color | Anthracite |
| Body material | Plastic    |

Temperatures & operating conditions

|                           |              |
|---------------------------|--------------|
| Ambient temperature range | -20...+35 °C |
|---------------------------|--------------|

Capabilities

|                                  |                                 |
|----------------------------------|---------------------------------|
| Dimmable                         | No                              |
| Type of connection               | Power cable/Plug                |
| Compatible smart home technology | Amazon Alexa / Google Assistant |

Certificates & Standards

|                    |      |
|--------------------|------|
| Standards          | CE   |
| Protection class   | I    |
| Type of protection | IP44 |

## EQUIPMENT / ACCESSORIES

- Ground spike included for easy fixation in garden soil
- 3 meter power cable for flexible installation
- Cable connector included if the power cord needs to be prolonged
- For control via SMART+ App, a smartphone or tablet is required (with minimum Android 8.0 or iOS 14.0)

## Safety advice

- Disconnect devices which generate heat from the mains, i.e. from the SMART+ Outdoor Terminal, after use in order to avoid them being accidentally switched on.
- Very high capacitive and inductive loads may in some cases lead to destruction of the device or reduction in the number of switching cycles.
- Do not use the SMART+ Outdoor Terminal in conjunction with medical equipment.
- Product in protection class I. All electrically conductive, metallic housing parts that can absorb voltage during operation or during maintenance in the event of a fault must be continuously connected to the protective earthing conductor.

## DOWNLOAD DATA

| Documents and certificates                                                         |                                        | Document name                              |
|------------------------------------------------------------------------------------|----------------------------------------|--------------------------------------------|
|   | User instruction / safety instructions | SMART OUTDOOR TERMINAL EU                  |
|  | Declarations of conformity             | CE Declaration SMART WIFI OUTDOOR TERMINAL |
|  | EU Data Act                            | SMART WIFI Plugs                           |

## LOGISTICAL DATA

| Product code  | Packaging unit (Pieces/Unit) | Dimensions (length x width x height) | Gross weight | Volume                |
|---------------|------------------------------|--------------------------------------|--------------|-----------------------|
| 4099854025570 | Folding box<br>1             | 212 mm x 347 mm x 147 mm             | 2130.00 g    | 10.81 dm <sup>3</sup> |
| 4099854025587 | Shipping box<br>4            | 447 mm x 367 mm x 324 mm             | 9130.00 g    | 53.15 dm <sup>3</sup> |

The mentioned product code describes the smallest quantity unit which can be ordered. One shipping unit can contain one or more single products. When placing an order, for the quantity please enter single or multiples of a shipping unit.
